～Professional Career～

- | | |
|-----------|--|
| 2015- | Professor
Tokyo Institute of Technology |
| 2009-2015 | Professor
Pohang University of Science and Technology,
Korea |
| 2004-2009 | Associate Professor
The University of Tokyo, Japan |
| 2003-2004 | Lecturer
The University of Tokyo, Japan |
| 1997-2003 | Postdoctoral Fellow
Tokyo Institute of Technology, Japan |
| 1994-1997 | Postdoctoral Fellow
University of Wisconsin-Madison, USA |
| 1992-1994 | Assistant Professor
Waseda University, Japan |

～Awards and Honors～

- | | |
|------|---|
| 2009 | The CSJ Award for Creative Work |
| 2008 | Chemistry Innovation UT GCOE Lectureship |
| 2005 | The UK-JAPAN researchers exchange program |
| 2002 | The Lectureship Award of Young Generation Special
Forum from the chemical society of Japan |

<Research Keywords>

- Coordination chemistry
- Supramolecular chemistry
- In situ chemical crystallography
- Crystalline-state photochemistry
- ab initio powder X-ray crystallography
